Take A Vet Fishing, Inc. is a nonprofit outreach program dedicated to showing gratitude to our armed services veterans. Our mission is to provide veterans with a relaxing day of fishing in an environment that supports caring, community and companionship. The TAVF program was started in 2007 and, since its inception, we have brought out over 12,000 veterans to fishing events at no cost to them. Our costs which consist of purchasing bait, tackle, equipment, and food are paid 100% by generous donations from people like you! Since 2013, our annual golf tournament has been our biggest and most successful fundraising event of the year, and we look forward to continuing that success this year at the Quarry Ridge Golf Course in Portland, CT on July 15th. We would love to have you join us for this joyous and important occasion.

If you and your teammates are interested in participating, please fill out the information below and return it, along with your donations, to Glenn Durgan at the provided address. We look forward to seeing you!
